There are no Bible verses that talk directly about marijuana. Is that surprising So does that make it okay to smoke weed Lets deal with the argument that it is OK to smoke pot since it is a creation of God. Yes, God did create the plant marijuana comes from. However, God NEVER intended you to dry the plant out, go to 7-11 and buy a pack of Blunt Raps, crumble the dried plant in the rolling paper, roll it up and smoke it. That, my friend, is a perversion of Gods creation. There is one thing about God and sin. Its not sin if you dont know its sin. So if you have to ask whether its sin or not then you are admitting to yourself that you really do not know it is. Youre just look for someone to give you permission to do it. We are only accountable to what we know. And the truth is if God wanted us high we would have been born with the capability to naturally have that feeling that comes from smoking weed. This item ships from La Vergne, TN. Paperback.
