Brand New Book ***** Print on Demand *****.Excerpt from Indispensable Orthopaedics, Vol. 2: A Handbook of Treatment Amongst the Orthopaedic affections, Scoliosis is, I believe, that which most embarrasses the practitioner. In the presence of the multiple and diverse theories held by authors as to the nature of this malady, he does not know what to believe: among the different treatments proposed, he does not know which he must choose, and if he choose one, he does not know exactly in what way to apply it, in order to reap some benefit. In the end he does nothing. I call it doing nothing, and avoiding doing anything, when he confines himself to prescribing strengthening wines, and furnishing the address of a manufacturer who will make some kind of corset, and thus frees himself from all responsibility. How disastrous to the patient is this indifference of the practitioner who sees the Scoliosis from the onset, from the moment when it is yet in an early stage! And how annoying it must be to the practitioner himself, who will be held in poor esteem by the...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
