Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

FURIOUSLY HAPPY (MAIN MARKET ED.)

Pan Macmillan. Hardback. Book Condition: new. BRAND NEW, Furiously Happy (Main Market Ed.), Jenny Lawson, "It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair." Jenny Lawson - aka The Bloggess - returns with the follow-up to her bestselling memoir Let's Pretend This Never Happened, recounting stories from everyday family life in her inimitably frank, hilarious, bizarre and endearing way. She describes her battles with depression and anxiety and her quest to overcome them by saying yes to even the absurdist opportunities and making the good times gloriously good. For as Jenny says: 'You can't experience pain without also experiencing the baffling and ridiculous moments of being fiercely, unapologetically, intensely and (above all) furiously happy.' It's a philosophy that has - quite literally - saved her life.
