Brand New Book ***** Print on Demand *****.Excerpt from Apiculture, Vol. 42: In British Columbia Keremeos is an excellent locality for the apiarian. From Keremeos to Penticton by auto stage is very interesting travelling, and one sees a veritable Eden of flowers, and the nature of the road over the hills affords enough excitement to make the trip very enjoyable. More bees should be kept at Penticton, it will prove to be a very good district for bee culture. There are very few here at present. A good deal of interest was shown, and quite a few are to get bees next spring. I was unable to locate any beekeepers at Naramata, but there are several interested, and anticipate getting bees. Summerland and Peachland are well known to be very good locations for the beekeeper. Having no names of persons keeping bees at the time I was in the district, I did not go to Westbank so am unable to say anything at all about the possibilities for beekeeping in that region. I believe however that some bees were taken into this district lately. Kelowna appears to me as being one of the best locations in the Okanagan, but as no great results have been obtained possibly I am not sufficiently acquainted with the district to know the conditions that prevail; anyhow, I would like to see a few hives tried there. Vernon compares equally with most of the other districts in the Okanagan, no better, no worse. If bee flora is any indication of the suitability for bee culture in any particular district, then Armstrong, Enderby, and Mara should prove good locations for the beeman. But taking the Okanagan Valley generally, I believe...
