As they begin this last sprint across a war-torn countryside, Luke will need to reach deep for his last ounce of determination if he intends to ever make it home alive. Learn more about Luke s past and find out some stunning truths about the government s plans for a future America. What is the endgame, and who will live to see it unfold? And finally, will Luke and Amy s love endure, or will their travels together end with a bullet? Disclaimer: Despite the relative youth of the two main characters, this is not a series aimed at the young adult crowd. This story, like the others in the series, address mature themes. This is the third book in a series that contains examples of gun violence, casual profanity, some mature sexual content, and references to drug use and underage drinking.
